# Alfa Nero

82 m (269 ft) Built by Oceanco  
Delivered 2007 · Refit 2024

# Alfa Nero

BUILDER	OCEANCO
BUILT / REFIT	2007 / 2024
BEAM	14.20M / 46'
DRAFT	3.90M / 12'10"
STATEROOMS	6
GUESTS	12
CREW	28
HULL MATERIAL	STEEL
SPEED	15 KNOTS / 20 MAX
FLAG	MALTA
PRICE	P.O.A

## EXPERT'S VIEW

"ALFA NERO stands as one of the most iconic superyachts ever delivered by Oceango, distinguished by her bold Nuvolari-Lenard design and commanding 81m presence. Her innovative aft pool (which transforms into a certified helipad) was a groundbreaking feature that reshaped beach-club design across the industry. Inside, she offers vast volumes with exceptionally well-resolved guest circulation, combining grand entertainment areas with refined privacy. The yacht's engineering pedigree and robust technical platform further underline her long-term reliability and performance. Even nearly two decades after launch, ALFA NERO continues to enjoy strong market appeal, recognised globally as a collectible flagship yacht of enduring prestige."

## A STATEMENT INTERIOR DESIGN

The interior reflects the work of the late **Alberto Pinto**, one of the most influential interior designers, known for major commissions such as The Lanesborough in London, as well as private residences and aircraft interiors, projects where clarity of layout and confidence of scale were essential. On board ALFA NERO, this sensibility translates into spaces that feel composed and deliberate, prioritising volume, light, and proportion over decoration or short-term fashion.

**ALFA NERO**  
VALLETTA

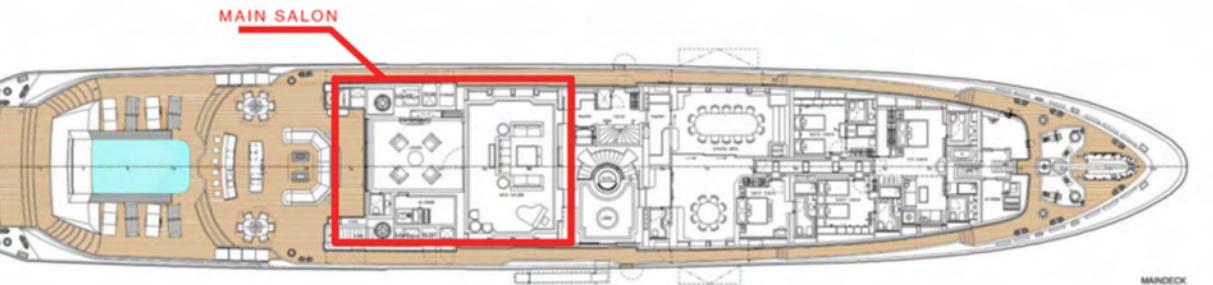

"The aft deck features the **world-first infinity pool whose hydraulic floor** can raise to become a helipad or dance floor; at launch this "pool-to-helipad" feature was hailed as revolutionary and inspired a generation of new builds."
